Parkway College of Nursing and Allied Health (Parkway College) is the Singapore education arm of Parkway Pantai Limited, one of Asia's leading and largest private healthcare services provider.

Parkway College aspires to be the premier global private educational institution in the niche fields of Nursing, Allied Health and Healthcare Management. It provides opportunities for life-long learning, and equips its students with the skills and knowledge to succeed in the workplace.

## Course Description

This course aims to equip and update nurses and allied healthcare professionals on infection control principles and practices to enable them to function effectively as healthcare professionals in their respective clinical areas.

As infection prevention and control is an integral part of healthcare delivery, nurses and allied health professionals have an important role to play to ensure that their own safety and those of the patients under their care are not compromised.

## Course Objectives

To provide nurses and allied health professionals with comprehensive knowledge on basic microbiology, disease transmission process, principles of epidemiology, common infectious diseases and current evidence-based infection control principles and practices.

## Course Outline

- Basic microbiology & immunology
- Overview and principles of epidemiology
- Evidence-based infection control principles and practices
- Emerging and re-emerging infections
- Prevention & control of common healthcare associated infections
- Components of an effective infection control program
- Role of Infection Control Committee, IC Professionals and IC Link Officers
- Multi Drug Resistant Organism (MDRO)
- Sterilization and Disinfection

## Course Structure

Duration: 2 days (14 hours)

## Who Should Attend

- New Infection Control Practitioners / Nurses
- Nurses & Allied Health Professionals with general interest and/or secondary infection control duties

## Certificate Awarded

A "Certificate of Attendance" will be awarded by Parkway College.

## Course Fees

Per participant: S\$749.00

Notes:

1. Fees are inclusive of prevailing Government Goods and Services Tax.
2. Parkway College reserves the right to postpone or cancel the course if minimum enrollment is not met.
