

# Bachelor of Science (Honours) Diagnostic Radiography and Imaging

Course Code: ARD

## Course Description

This Bachelor of Science degree programme (with Honours) from the University of Hertfordshire is offered in Singapore by Parkway College. It is aimed at preparing suitably qualified individuals to pursue a career in diagnostic radiography and medical imaging, which has good employment prospects in Singapore and overseas.

The Bachelor of Science (Honours) Diagnostic Radiography and Imaging is a recognised qualification for the registration of Diagnostic Radiographers by the Allied Health Professions Council (AHPC) Singapore.

### Reasons to Choose the Bachelor of Science (Honours) Diagnostic Radiography and Imaging Programme

- **UK Degree:** Complete the full degree programme in Singapore and save cost as compared to studying in the UK. This is a built-in professional honours degree programme and can be completed in three years.
- **Teaching Excellence:** Study with a reputed University and Parkway College, known for their teaching excellence.
- **Clinical Placements:** Placements are organised for students so that they can apply the skills, under supervision. Skills training would be conducted with state-of-the-art equipment and facilities.
- **Employability:** Diagnostic radiography provides excellent career prospects with the opportunity for continuous career development.

## Course Objectives

The course aims to produce graduates who possess the knowledge, skills and competencies to be professional radiographers. As reflective practitioners, they will be flexible and responsive in their approach to the needs of patients and the service.

## Course Structure

- Duration: 36 months on full-time basis
- Total curriculum hours: 3600
- Course Delivery: Delivered over 9 semesters
- Mode of delivery: Lectures, Tutorials, Seminars, Workshops, Practical Laboratory Sessions, Group Work, Clinical Placements and Independent Study.

## Who Should Attend

This programme is designed for those who have completed their GCE 'A' Level in Science subjects, as well as polytechnic and university graduates with diplomas or degrees in Science subjects.

## Certificate Awarded

Bachelor of Science (Honours) Diagnostic Radiography and Imaging, awarded by the University of Hertfordshire.

## Course Outline

The course consists of 16 modules\*:

- 4FHH1238 – Diagnostic Imaging 1
- 4FHH1239 – Diagnostic Imaging 2
- 4FHH1240 – Imaging Science Foundations
- 4FHH1241 – Preparation for Professional Practice
- 4FHH1242 – An Introduction to Inter-professional Education
- 5FHH1274 – Research Methods
- 5FHH1275 – Developing Professional Practice
- 5FHH1276 – Imaging Science Principles
- 5FHH1277 – Diagnostic Imaging 3
- 5FHH1278 – Diagnostic Imaging 4
- 6FHH1198 – Research in Radiography
- 6FHH1199 – Enhancing Health and Social Care through Inter-professional Education
- 6FHH1200 – Advancing Professional Practice
- 6FHH1201 – Preliminary Clinical Evaluation 1
- 6FHH1202 – Preliminary Clinical Evaluation 2
- 6FHH1203 – Clinical Decision-Making and Diagnostic Practice

\*The University of Hertfordshire reviews the course curriculum every 5 years.

## Entry Requirements

### Eligibility and Academic Requirements

- Candidates must be a Singapore Citizen or Singapore Permanent Resident, be 18 years old and above, **AND** have at least:

## What Our Graduates Say About the Course

"The Diagnostic Radiography and Imaging course in Parkway College ensured that I could stay on home ground and yet attain an honours degree that is internationally recognised."

- Hider Bin Omar

"Parkway College promises a journey filled with life-long learning, exposure and plenty of hands-on opportunities. So if radiography is something you are interested to pursue, don't be afraid to jump right in!"

- Shannon Wong

"Radiography is great for those with a strong interest in sciences, and who love to work with sophisticated technology. Apart from being a clinical radiographer, I can go into teaching, management or research in the future."

- Nur Hanisah Nordin
